

EVENT LICENSE AGREEMENT^{@ 3/15}

(Anyone hosting a SOTF Event must fill out, sign & mail to SOTF PO Box 22036 Phoenix, AZ 85028, prior to the event)

Because Sisters on the Fly™, 10231 N. 39th Street, Phoenix, Arizona, an Arizona corporation,

("SOTF") and I, Sister # _____, also known as _____

at _____ will be hosting an event from _____, 20_____ until

_____, 20_____ and this event may use the Trademark that SOTF owns, and for which

it has developed an outstanding reputation and goodwill, I Sister # _____ requests a license to do so because I may also market SOTF merchandise.

So we both agree to these things:

1. SOTF grants to the forenamed Sister and she accepts an exclusive, non-assignable right to use the Trademarks solely in connection with the event and understands that "Trademarks" means: (i) all of the trademarks owned and used by SOTF in any way, shape or form and SOTF might at any time change them.
2. As a loyal Sister I also understand that I can only use SOTF trademarks for this event and for selling only real, bona fide SOTF sanctioned stuff that Maurrie, Sister #1 says I can (she will let me know in writing of course). All Sisters know that we can only use the Trademark for the time of the event that prompted this agreement and if Sister # _____ messes up the fun by not following this Agreement, well, then SOTF, /Maurrie Sussman may end this very Agreement without notice, meaning that Sister # _____ must cease and desist using the TM right then and there.
3. In order to continue having more fun than anyone Sister # _____ promises to fork over earned royalties in the amount of 10% of all fees collected as the result of sales of any merchandise. And just to be doubly sure everything stays happy Sister # _____ promises to keep track of all the money brought in and about a month afterward will send a report to Maurrie showing all the dough collected and from whom and what it was for and will hang on to the records in case we ever have an audit, which will be totally fun because all our ducks will be in the right row.
4. SOTF reserves all right, title and interest in and to the Trademarks for its own use or for the use of any Sister who makes these same promises, wherever they may be on planet Earth. Only SOTF can make such a deal so don't think you can pass your promise along to someone else.
5. Sister # _____ promises she won't use the Trademark or brand in any way that SOTF would not expect or take kindly to and will take all the fun out of it by creating a problem the lawyers would call infringement, defamation, libel or false light. And she will never give anyone the impression that Sisters on the Fly™ or the logo itself are her own property.
6. Well, this is just between us Sisters and this paper is the whole kit and caboodle. God forbid, if things were to get out of hand, we will be using Arizona law and mediation to try and make things right again and if that don't work, loser pays everybody's fees and costs. If anything in here is illegal just that part gets the pocketknife treatment.

Signed on this _____ day of _____ 20_____.
