UPLOAD IMAGE       Salett Image to upface!       Salett Image to upface!
3	Click <b>Choose File</b> beneath either <b>Profile Image</b> or <b>Cover Image</b> .
	Note: The example shown in the following steps is changing a Profile Image. Cover Image works exactly the same.  Result: Your computer's directory will appear.           Image:
4	Navigate to the location of the picture you want to upload, highlight the file name, and
	Click Open (or double-click the file name, i.e., IMG_0207 in this example).
	Result: The selected photo will be listed.

	Cover Image Select image to upload: Choose File new-hairdo.JPG UPLOAD IMAGE Suggested Size 1380px by 334px
5	Click the red rectangle, UPLOAD IMAGE.
	Result: The selected photo will appear.
6	Use the red editing icons shown below to adjust your photo.
7	Exit when finished with any adjustments; your profile picture will appear as you left it the next time you enter your profile.
