

GUEST/SOTT POLICY

Members of **Sisters on the Fly™** (SOTF) can invite guests to events when it is deemed so by the Hostess on her event page. A “**Guest**” can include a **Sister on the Try** (SOTT), a Mister/Partner (which would be a Sister/Mister event), or sometimes family members. These guests are required to sign a “**Guest Release and Waiver of Liability Agreement**” before attending a SOTF event, read all event documentation supplied by the SOTF Sponsor/Hostess, and follow all SOTF policies.

We have a few guidelines for our guests:

1. **Sisters on the Try** (SOTT) may participate in **only one** event and cannot have been a previous member of SOTF. We hope that after attending an event as a SOTT they will consider joining **Sisters on the Fly** and “*Have more fun than anyone!*”
2. A current SOTF member must sponsor the guest for the event, sign them up on the event page, and accompany them to the event or find someone that will. The SOTF sponsor is responsible for giving the guest information regarding the event, along with any required documentation. The guest must follow the rules set by the hostess of the event.
3. If the event is a pet friendly event and the guest is bringing a pet, the guest will need to follow the “**Pet Policy**” provided by their sponsor.
4. A Guest **must be 21 years old to participate**, unless the event is specifically set up with different parameters like; Grammas on the Loose, a Summer Picnic, Baseball Game, Lil Buckaroo’s, etc.
5. All guests must sign the **Guest Release and Waiver of Liability Agreement** before attending the event. You can get this document on the website at [Event Planning Guide - Sisters on the Fly](#) or the hostess can email a copy to the sponsor. The sponsor is responsible for getting the guest to sign the document and then either send it to the hostess via email or hard copy at the event. No guest will be allowed to attend an event without a signed waiver.

If you have any questions regarding your “**Guest**” please contact the hostess of the event, your Wrangler, or the Events Coordinator.
